Julie Trujillo with Decision Analyst give a presentation on the Survey and gives highlights of citizen opinions and needs. She explains the importance of the Survey and offers insight on the results.

After the presentation, Mayor calls a 5 minute recess.

- 9.6. Discuss and consider approving an Ordinance amendment. Article 3, "PERMITTED USES", Section 3-1, "Use of Land and Buildings", the Land Use Table, by changing "Restaurant, without alcohol sales" from permitted by Special Use Permit to a use by right/Permitted Use. (City Manager)

Bev Stibbens explains why she feels it is important to change the Permitted Uses.

**Council Member Easter state he feels this is a very good move.
Council Member Towry wants to make sure we still have control over who comes in within a designated area next to neighborhoods. Bev answers that we currently have light nuisances laws but is not sure about the time limitations.**

Council Member Powers wanted to know if something has been changed in the ordinances and if this was a particular builder that was requesting the change. He also stated that he understands why businesses want to streamline the process.

Bev explains that the ordinance is that same as it has always been, there was a builder who pointed it out because he has a donut shop that wants to go in and it seems that this would speed up the process for those types of businesses.

Motion to approve
Made by Council Member Towry
Seconded by Council Member Brewer
Motion passes 6-1

- 9.7. Discuss and consider approving new and renewed appointments to the Planning and Zoning Commission. (City Manager)

Bev informs the Council of the Planning and Zoning Commissioners that are interested in renewing their position on P & Z. She also lets them know that they must fill another seat on the planning and zoning commission.

Mayor call for motion to approve the renewal of the P & Z members
made by Council Member Powers
Seconded by Council Member Towry
Motion passes: Unanimously

- 9.8. Discuss and consider approving new and renewed appointments to the Board of Adjustments (City Manager)

Bev Stibbens informs the council of the renew request and well a new application to fill the remaining seat.

Motion to approve
Made by Mayor Pro Tem Brewer
Seconded by Council Member Goodwin
Motion passes unanimously

- 9.9. Discuss and Consider approval of RCH Water Supply Corporation adding Sonoma Verde Phase 1-V to their Certificate of Convenience and Necessity (Mayor McNeal)

Mayor pulls this agenda item to have in reworted and brought back to council at the next meeting.

- 9.10. Discuss and consider approval of the City Manager and Mayor negotiating the sale of the water infrastructure inside Sonoma Verde.
(Mayor McNeal)

Motion to approve
Made by Council Member Goodwin
Seconded by Mayor Pro Tem Brewer

The Mayor ask that he be removed from the negotiating and Mayor Pro Tem be in the negotiating with the City Manager.

Council Member Easter asked about the process and Mayor explained what the process would be.

Motion is revised to include Mayor Pro Tem instead of Mayor.

Made by Council Member Powers

Seconded by Council Member Goodwin

Motion passes unanimously

- 9.11. Discuss and consider naming a third party consultant to assess and give opinion as to the comparison between Book Market and Fair Market value of the City-Owned water infrastructure located inside Sonoma Verde. (Mayor McNeal)

Motion made to name a third party consultant

Made by Mayor Pro Tem Brewer

Seconded by Council Member Goodwin

Mayor explains that this will make sure that we know the correct number when we go to negotiate.

Rich Dean ask if it is normal to have a "Not to exceed" number for the consultant.

John Powers says he wants to make sure that we have more than one source so we know for sure we have the correct amount. He just wants to know that it will come back and give us more information on cost etc. He wants to make sure it is a good deal for the city and that we make the right choice.

Motion passes Unanimously.

- 9.12. Discuss and Reconsider approval of the Outdoor Lighting Ordinance (aka "Dark Sky Ordinance"), an ordinance that preserves our city's heritage of a clear, dark night sky, protects properties from light trespass, and contributes to more active living spaces. Chapter 52.003 of the Texas Local Government Code (Mayor McNeal)

The Mayor explains why he ask for a reconsideration. Citizens, Staff and Fire Chief all had issues with the way this was written. He also explained that yes would mean you want the ordinance to

Council Member Easter felt that this ordinance is in line with the comprehensive plan. He points out other cities have this and it add to the desirability of the community.

Council Member Towry states he is not a fan in its current form. The people he has spoken with have been a NO. He would like to see something put in place to regulate commercial businesses.

Mayor Pro Tem Brewer says he did not vote for it to begin with. There were enforcement conditions in there that staff was uncomfortable with and I think we need to listen to staff. He has spoken with some different places who have a dark sky ordinance and they had found the biggest offender was commercial businesses or stadiums, etc. it was not the residents.

Council Member Dean stated that he was not sure how some of the new

requirements would be enforceable. It was a No for him.

Council Member Goodwin said he agreed with the essence but he felt like this was not the right execution of that idea. It seemed incomplete, and a burden on the community.

Council Member Powers agrees with the idea, especially about the commercial district. but he said being there when it was introduced and Fire Chief, Fire Marshal and City Attorney had made statements that this was problematic.

Mayor echoed what the other council members had said and pointed out that plano's dark sky

ordinance was very specific and point out where the example was taken from. We are not the same as Alpine Tx where the observatory is a big part of the city. We are already in a halo of light and really cant compare us to Alpine.

Mayor calls for a vote

Motion Fails 6-1

- 9.13. Discuss and Reconsider approval of the McLendon-Chisholm Trail Ordinance (aka "Trail Ordinance"), an ordinance that establishes a public trail system that will enhance community recreational opportunities, improve community connectivity, promote physical health, and foster community engagement. Chapter 52.003 of the Texas Local Government Code (Mayor McNeal)

Motion to reconsider approval

Made by Mayor Pro Tem Brewer

Seconded by Council Member Goodwin

Mayor again states that this is another ordinance that is just not complete.

Council Member Easter says he feels the trails are important, but he feels that if Council Member Goodwin and Mr. Leichty are going to work together , is it easier to revise this one or start over? Will the developers between now and when we develop a trails plan , be asked to provide trails in the neighborhoods. Bev Stibbens explains that we currently have provisions in the developers plans for trails within the developments.

Council Member Towry ask about a map or lack thereof, He also ask if older trails would have to be brought up to code . City Planner Peyton Sherman states there are no specifications of the older trails being brought up to date.

Fire Marshal points out, to his knowledge , there are no emergency services provision on any of the trails.

Mayor Pro Tem Brewer points out concerns about cost, easements etc. We need a study on the cost before we do something like this.

Council Member Goodwin ask if it is better to rewrite this one or start over. Mr. Halla says start over. He also wanted to know if there was more to it. felt it was incomplete.

Council Member Powers. Good Idea, Bad Ordinance, Back to the drawing board.

Mr. Kipphut gives his opinion and state we have no standard to hold any developer to. Easier to put in that to maintain. He thinks there should be a creative plan to create a trail system.

Mayor calls for a vote
Motion passes Unanimously

- 9.14.** Discuss and approve the appointment of member to the Infrastructure Committee. (Mayor McNeal)

Mayor explains what the infrastructure Committee is. He points out this needs to be someone who can actually be there
Council Member Goodwin nominates Council Member Towry
Mayor Pro Tem Brewer Seconds the nomination

Council Member Powers points out that these meeting are held during the day and wanted to know if Arik was aware of that and could make those meetings. Does he want to accept the nomination.

Mayor ask to return to item # 2 so that the Boy Scout Troop could present the Mayor an award for coming to the troop meeting and teaching them about how the city works.

Back to the item 9.14. Council Member Towry declines the nomination because of time restraints. He offers his help whenever needed.

Council Member Powers nominates the Mayor
Council Member Goodwin seconds the nomination
Nomination passes unanimously.

- 9.15.** Presentation of Mayor and Council's 100 day Plan (Mayor McNeal)

Mayor pulls 9.15 until next meeting.

10 COUNCIL MEMBER REPORTS AND ANNOUNCEMENTS

The City Council will have an opportunity to address items of community interest including: expressions of thanks, congratulations, or condolence; information regarding holiday schedules; an honorary or salutary recognition of a public official, public employee, or other citizen; a reminder about an upcoming event organized or sponsored by the City of McLendon-Chisholm; information regarding a social,

ceremonial, or community event organized or sponsored by an entity other than the City of McLendon-Chisholm that was attended or is scheduled to be attended by a member of the City Council or an official or employee of the City of McLendon-Chisholm; and announcements involving an imminent threat to the public health and safety of people in the City of McLendon-Chisholm that has arisen after posting the agenda.

Council Member Rich Dean Thanks Planning and Zoning Commission for being patient with him and helping him through the last year and says he enjoyed serving on the commission.

Council Member Powers thanks the Staff and welcome to Mr. Sherman and reminds him to be stellar so that we not using Sanchez & Assc. very often!!

Jeff White reminds council and citizens of the Budget workshop on Saturday June 14 9 am

Bev Stibbens lets council know there are 9 applicants so far that have applied for the City Manager position. We will discuss in the next meeting the interview and hiring process.

Mayor announces his idea on the Christmas Village.

CITY COUNCIL – CITY OF MCLENDON-CHISHOLM, TEXAS

DATE: June 24TH, 2025

Applicant: Holly Davis & Brenna LeCroy
In a Perfect World Private School
705 Highland Drive
Rockwall TX, 75087

Representative: Holly Davis & Brenna LeCroy

Property owner: Rachel Rider

Location: The property is a .270-acre tract of land located approximately 400' southeast of League Road on the north side of SH 205 within the City limits of McLendon-Chisholm.

CITY COUNCIL MEETING DATE: June 24TH, 2025

REQUEST: The applicant is requesting a recommendation for approval of the operation of a private school subject to the conditions listed in this report. The proposed use continues to be consistent with the intent of the zoning ordinance and is compatible with the existing uses and surrounding uses.

STAFF RECOMMENDATION: City staff recommends approval of the applicant's request. The Specific Use Permit is consistent with the Comprehensive Plan, Future Land Use Plan, and Chapter 14A of the Zoning Ordinance per Subsection 6-2(G). The applicant has provided all the required exhibits to support the recommendation of approval.

PLANNING AND ZONING COMMISSION RECOMMENDATION: Approval. (5-0)

BACKGROUND INFORMATION:

The Zoning Ordinance provides the following guidance regarding the consideration of any request for a specific use permit.

"6-2 Specific use permits

A. Purpose. Certain land uses, because of their nature and location, are not appropriate for categorizing into installations, such as colleges and universities, private schools, institutions, community facilities, zoos, cemeteries, country clubs, show grounds, drive-in theaters and other

unusual land uses not specifically provided for in this chapter. To provide for the proper handling and location of such specific uses, a provision is made for amending this chapter to grant a permit for a specific use in a specific location. This procedure for approval of a specific use permit includes a public hearing. The amending ordinance may provide for certain restrictions and standards for operation. The indication that it is possible to grant a specific use permit as noted elsewhere in this ordinance does not constitute a grant of privilege for such use, nor is there any obligation to approve a specific use permit unless it is the finding of the planning and zoning commission and city council that such a special use is compatible with adjacent property use and consistent with the character of the neighborhood.”

LETTER OF INTENT:

**Letter of Intent – Special Use Permit Request
1271 S. State Highway 205, Rockwall, TX 75032**

To the McLendon-Chisholm City Planner,

We are public-school educators with a deep passion for children and learning, and we are excited to share our plans to open a small private school at 1271 S. State Highway 205. We respectfully request your support in approving our Special Use Permit application to bring this vision to life in McLendon-Chisholm.

With the city's approval, we plan to enroll a maximum of 24 students for the 2025–2026 school year. We are also open to adjusting that number if needed to ensure this project aligns well with the city's goals and the surrounding community's needs.

Traffic Concerns:

Our school day will run from 8:30 a.m. to 2:30 p.m., and we will implement staggered arrival and dismissal times to minimize traffic flow on Highway 205. Our plan for drop-off and pick-up is organized and efficient. Students will be received and dismissed at the vehicle each day to prevent congestion and ensure a smooth traffic pattern. Additionally, many of our students will be siblings or carpooling from the same neighborhoods, which will further reduce the number of vehicles on site.

Additionally, there will be only two staff members on-site daily, requiring minimal daily parking accommodations.

This site will serve as a temporary location for our school as we actively work toward purchasing land and constructing a permanent campus by the 2027–2028 school year. We are committed to staying in McLendon-Chisholm long-term and becoming a positive educational partner in the community, especially at a time when Providence Academy's transition to Royse City leaves a need for more local options.

We are committed to being responsible, cooperative neighbors and will make any reasonable adjustments necessary to meet the city's expectations. We are eager to begin serving local families in August and look forward to contributing to the educational landscape of McLendon-Chisholm.

Narrative of Procedure and Traffic Management Plan (Exhibit A):

In a Perfect World Private School's Procedures and Traffic Management Plan

1. Grades to be serviced

In a Perfect World Private School will serve students from pre-kindergarten through fourth grade. The students will be grouped into two classrooms: one for pre-kindergarten, kindergarten, and first grade, and another for second, third, and fourth grades.

2. Number of children per grade

There will be a total of twelve students combined in pre-kindergarten, kindergarten, and first grade. Similarly, there will be twelve students combined in second, third, and fourth grades.

3. Maximum number of children onsite during operating hours

- A maximum of 24 children will be present on-site during operating hours. Once we have filled 24 spots, we will close enrollment.
- We have begun the enrollment process in hopes of the Special Use Permit passing. As of 5/29/2025, 10 children are currently enrolled – 6 of those children will attend part-time, 4 of those children will attend full-time.

Part-Time Students (These students will attend two days per week.)

Monday/Wednesday Students: 4 of the enrolled students will only attend on Mondays and Wednesdays. 2 of the children attending on Mondays and Wednesdays are siblings so they will always ride together. All 4 of these children are neighbors. While they are not required to carpool, their parents have mentioned the possibility of carpooling.

Tuesday/Thursday Students: 2 of the enrolled students will only attend on Tuesdays and Thursdays.

Full-Time Students (These students will attend on Mondays, Tuesdays, Wednesdays, and Thursday.)

4 of the enrolled students will attend full-time, Monday through Thursday. 1 of the children attending Monday through Thursday is the child of a staff member and will ride to and from school with the staff member.

4. Number of staff, teachers, and administrators onsite during operating hours

A maximum of two staff members will be on-site during operating hours.

5. Hours of operation

Our hours of operation are Monday through Thursday, from 7:15 AM to 4:00 PM. Fridays are optional for students who need additional academic support. The maximum number of students who will attend on Fridays is 12. (Only 1 of the 10 students who are currently enrolled plan to attend on Fridays.)

The 2 staff members will arrive at 7:15 and depart at 4:00. The student who rides to and from school with the staff member will also arrive at 7:15 and depart at 4:00.

In efforts to prioritize the safety of our students, staff and vehicular traffic on SH 205, we will stagger the arrival of students to decrease congestion. The first group of students (maximum of 11 2nd/3rd/4th graders) will arrive at 8:00 AM and the second group of students (maximum of 12 pre-kindergarten/kindergarten/1st graders) will arrive at 8:30. This will allow the first group of parents to leave the premises before the second group arrives. There will be no overlap between the first and second groups using the driveway in the morning.

The first group of students (maximum of 11 2nd/3rd/4th graders) will be dismissed at 2:00 and the second group of students (maximum of 12 pre-kindergarten/kindergarten/1st graders) will dismiss at 2:30. This will allow for the first group of parents to leave the premises before the second group arrives. There will be no overlap between the first and second groups using the driveway in the afternoon.

To further reduce the number of vehicles on-site at any one time, we have offered early arrival (7:15 AM) and late dismissal (4:00 PM) options for all students. Several families have already expressed interest in utilizing this schedule.

6. Total number of existing parking spaces onsite

The site includes sixteen parking spaces. We are submitting two potential traffic management plans for consideration by the board. Once a plan is selected, we will stripe the parking lot to enhance safety during arrival and dismissal times. If one of these two plans does not satisfy the committee, we are prepared to submit an additional plan.

7. A detailed traffic management plan

We have developed two traffic management plans and welcome the committee's feedback. When developing these plans, we accounted for 24 students. These plans have been carefully designed to prevent any impact on traffic flow along SH 205 and to maintain adequate driveway access. We value your input and are open to suggestions and guidance. We are willing to make adjustments as needed.

Traffic Management Plan 1 (Exhibit B):

Arrival

- **8:00 AM Arrival – First Group:**
 - A maximum of 11 students will arrive at 8:00 AM. During this time, a minimum of 3 parking spaces remain open, with additional room in the straight portion of the driveway for vehicles to wait, if necessary.
 - Parents will use the designated turn lane on SH 205 to enter the driveway and proceed directly into a numbered parking space. Once parked, they will use a designated pedestrian path around the perimeter of the parking lot to walk students to the rear entrance of the building. After drop-off, parents will return to their vehicles via the same path. At no time will pedestrians walk across the parking lot. Parents will wait for an all-clear signal from staff before exiting the parking lot.
- **Departure – First Group:** As soon as every child has entered the building, we will begin departure. A staff member will verify that the straight portion of the driveway is clear of oncoming traffic. If any vehicles are waiting in the driveway, they will be directed to park in an available parking space. Once the driveway is clear, parents will exit the parking lot in the order they arrived. A minimum of 15 minutes will be allotted for a safe and orderly departure. We are open to installing a right-turn-only sign at the exit to further enhance efficiency and speed of this traffic management plan.
- **8:30 AM Arrival – Second Group:** A maximum of 12 students will arrive at 8:30 AM. During this time, a minimum of 3 parking spaces remain open, with additional room in the straight portion of the driveway for vehicles to wait, if necessary. The second group will follow the same procedures as the first group.
- **Departure – Second Group:** As soon as every child has entered the building, we will begin departure. A staff member will verify that the straight portion of the driveway is clear of oncoming traffic. Once the driveway is clear, parents will exit the parking lot in the order they arrived.

Dismissal

- **2:00 PM Dismissal – First group:**
 - **At 2:00 PM, a maximum of 11 students will be dismissed. Parents will use the designated turn lane on Highway 205 to enter the driveway and proceed directly to a numbered parking space. Once parked, they will use the designated pedestrian path to walk to the rear entrance of the building to retrieve their child.**
 - After retrieving their child, parents and students will return to their vehicles and wait for an all-clear signal from staff before exiting the parking lot.
- **Departure – First Group:**
 - A staff member will verify that the driveway is clear of oncoming traffic. If any vehicles are waiting in the driveway, they will be directed to park in an available parking space. Once the driveway is clear, parents will exit the parking lot in the order they arrived. A minimum of 15 minutes will be allotted for a safe and orderly departure. We are open to installing a right-turn-only sign at the exit to further enhance efficiency and speed of this traffic management plan.
- **2:30 PM Dismissal – Second Group:**
 - At 2:30 PM, a maximum of 12 students will be dismissed. The second group will follow the same procedures as the first group.
- **Departure – Second Group:**
 - A staff member will confirm there is no oncoming traffic in the driveway. Once the driveway is clear, parents will exit the parking lot in the order they arrived.

Traffic Plan #1

Traffic Management Plan 2 (Exhibit C):

Arrival

- 8:00 AM Arrival – First Group:
 - A maximum of 11 students will arrive at 8:00 AM.
 - Parents will use the designated turn lane on SH 205 to enter the driveway and proceed to the rear parking lot where they will enter the carpool line. The first vehicle in the carpool line will stop at the designated stopping point. Once all vehicles are in place, a staff member will help students exit their vehicle and enter the building. Once all students have entered the building, parents will be directed to exit in the order in which they arrived.
 - Cones will be used to signal any parents who arrive after the designated time to idle in the straight portion of the driveway while students enter the building. This occurrence is expected to be rare, as we will emphasize the importance of arriving on time. At no time will pedestrians be permitted to walk across the parking lot while vehicles are in motion. Once all students have been escorted into the building, any vehicles idling in the straight portion of the driveway will be directed to the rear parking lot.
- **Departure – First Group:** A staff member will confirm that the driveway is clear of oncoming traffic and will then remove the cones. Any vehicles idling in the driveway will be directed to the rear parking lot to ensure other vehicles can exit in the order they arrived. A minimum of 15 minutes will be allotted for a safe and orderly departure. We are open to installing a right-turn-only sign at the exit to further enhance efficiency and speed of this traffic management plan.
- 8:30 AM Arrival – Second Group:
 - A maximum of 12 students will arrive at 8:30 AM.
 - The second group will follow the same procedures as the first group.
- **Departure – Second Group**
 - A staff member will confirm that the driveway is clear of oncoming traffic and will then remove the cones. Any vehicles idling in the driveway will be directed to the rear parking lot to ensure other vehicles can exit in the order they arrived.

Dismissal

- **2:00 PM Dismissal – First group:**
 - Parents will use the designated turn lane on SH 205 to enter the driveway and proceed to the rear parking lot where they will enter the carpool line. The first vehicle in the carpool line will stop at the designated stopping point. Once all vehicles are in place, a staff member will walk students to their vehicles. After all students have been placed in their vehicles, parents will be directed to exit in the order in which they arrived.
 - Cones will be used to signal any parents who arrive after the designated time to idle in the straight portion of the driveway while students are placed in their vehicles. This occurrence is expected to be rare, as we will emphasize the importance of arriving on time. At no time will pedestrians be permitted to walk across the parking lot while vehicles are in motion. AGENDA ITEM FOR JUNE 24th , 2025 Meeting

Date: June 11, 2025

Agenda Item: Subdivision Ordinance: Conversion of Private Streets to Public Streets

Financial Impact:

Background: .An ordinance that codifies a process of acceptance of private streets by the City to include those streets that meet standards; those streets that do not meet standards with cost sharing/financing options to bring them to the City standard; and those streets in established residential subdivisions whose primary ingress and egress roads are non-concreted and whose condition has degraded to a point of an “exigency” that affects the ability of emergency services, buses, trash, utility and other service vehicles to carry out their duties allowing for an asphalt road to be built and accepted by the City .

Presenter: Jerry Brewer, Mayor Pro Tem

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF MCLENDON-CHISHOLM, TEXAS, AMENDING THE CODE OF ORDINANCES BY AMENDING CHAPTER 10, "SUBDIVISION REGULATION", ARTICLE 10.03, "STANDARD STREET SPECIFICATIONS AND CONSTRUCTION DETAILS IN SUBDIVISIONS", BY ADDING SECTION 10.03.010 "CONVERSION OF PRIVATE STREETS TO PUBLIC STREETS"; PROVIDING A REPEALING CLAUSE; PROVIDING; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of McLendon-Chisholm, Texas is a duly organized municipality, created in accordance with the provisions of the Texas Local Government Code and operating pursuant to its Home Rule Charter; and

WHEREAS, the City Council has determined that it is necessary and advisable for the good of its residents and the benefit of the public to have an option of City control and maintenance over certain private streets and allow said private streets to become public streets under certain conditions in order to more adequately protect the citizens' health, safety and general welfare.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MCLENDON-CHISHOLM, TEXAS:

SECTION 1. That Chapter 10, Subdivision Regulation, Article 10.03, "Standard Street Specifications and Construction Details In Subdivisions" of the City of McLendon-Chisholm Code of Ordinances be and the same is hereby amended by adding Section 10.03.010, and which shall read as follows:

“...

CHAPTER 10. SUBDIVISION REGULATION

...

**ARTICLE 10.03 STANDARD STREET SPECIFICATIONS AND CONSTRUCTION
DETAILS IN SUBDIVISIONS**

...

Sec. 10.03.010 Conversion of private streets to public streets

(A) The City of McLendon-Chisholm may, but in no event is it obligated to, accept private streets as public streets upon conformance to the following provisions:

(1) A petition, signed by property owners representing at least 80% of the lots abutting a private street, must be submitted to the City Secretary. The petition shall be submitted on forms obtained from the City Secretary. In the alternative, the Board of Directors of the Homeowners Association (HOA) for the affected subdivision may submit a petition for the City to accept private streets and the associated property as public streets and right-of-way upon written notice to all association members and upon the favorable vote of 80% of the membership. Documentation of the notice and minutes of the meeting at which the vote took place and recording the notice of the meeting must be submitted to the City Secretary;

(2) The City has the right to inspect the private streets and to determine the needed repairs prior to the City's acceptance of the streets and the City shall be the sole judge of whether repairs are needed;

(3) All security stations, access control devices and other structures not consistent with a public street development as determined by the City must be removed or disabled at the owners or association expense;

(4) The City Council may require that monies in a homeowner association fund, designated for street maintenance, be delivered to the city. In the absence of a homeowner association and/or the fund, the Council may require the property owners to reimburse the City for any street maintenance provided during a period specified by the Council;

(5) At the expense of the owners or association, the subdivision plat must be submitted as a re-plat dedicating the rights of way and other easement to the City; and

(6) At the expense of the Homeowners Association, all homeowner association documents shall be amended, if necessary, to allow the Association to petition the City to accept private streets and any associated property as public streets and rights of-way upon written notice to all Association members and upon the favorable vote of a majority of the membership.

(B) For private streets that cannot meet the requirements of sections (A)(1) through (6) above, the following procedure may be considered by the City Council to accept the private streets:

(1) In order for the City Council to consider a petition requesting that the city take over ownership and maintenance of a private street under this section, the petition must be signed by a minimum of 90% of the property owners abutting the private street and must be submitted to the City Secretary. The petition shall be submitted on forms obtained from the City Secretary. In the alternative, the Board of Directors of the Homeowners Association (HOA) for the affected subdivision may submit a petition for the City to accept private streets and the associated property as public streets and right-of-

way upon written notice to all association members and upon the favorable vote of 90% of the membership. Documentation of the notice and minutes of the meeting at which the vote took place and recording the notice of the meeting must be submitted to the City Secretary;

(2) At the petitioners expense, the subdivision or properties would need to be either platted or re-platted dedicating 100% of the right-of-way needed for the project including any additional utility easement needed for the improvements;

(3) The petition must request that the City finance, design, and construct a new street to city standards along with water and sanitary sewer lines (sewer if available in the area); Water line design and construction to be coordinated with the appropriate water service;

(4) Unless otherwise agreed to by City Council, the City would be responsible for 50% of the street paving design and construction cost and the city would be responsible for none of the water line and system upgrades relating to providing fire flow and sanitary sewer design and construction costs;

(5) Unless otherwise agreed to by City Council, the petitioners would be responsible for 50% of the street paving design and construction cost, all of the sanitary sewer design and construction cost, and all of the water line improvement cost;

(6) Should the City Council agree to the proposed project and cost responsibilities, the city would have up to 24 months to begin construction to allow time for budgeting and design of the project;

(7) The project may be financed to no more than 20 years with reimbursement collected from each property owner. Financing and payback will be determined at the time of the application, or no later than sixty (60) days prior to the date construction of the improvements is scheduled to begin. The City may enter into an agreement with property owners on a form approved by the City which shall identify the estimated cost of the improvement or expansion, the schedule for initiation and completion of the improvement or expansion, a requirement that the improvement or expansion be designed and completed to city standards and any other terms and conditions as deemed necessary by the City. The agreement shall provide for the method to be used to determine the amount of the reimbursement by the property owner for construction of the improvements or expansion in accordance with this section;

(8) The City may finance the project through the issuance of bonds or through any other authorized mechanism, in such manner and subject to such limitations as may be provided by law; and

(9) Nothing in this section shall be deemed in any way to be an exclusive method of enforcing the payment of the costs against the property owner, and shall not be deemed in any manner to be a waiver of the City's right to validly assess the property owners

concerned for costs of the installation of improvements or expansion and to fix and enforce liens against the properties, all of which may be done as provided herein in the manner allowed by law. The liens are security for the expenditures made and interest accruing as allowed by law.

(C) This section (C) applies to a private road consisting of asphalt, gravel, caliche, or is otherwise unimproved in an established residential subdivision used as the principle means of ingress and egress and has reached a condition of exigency. The homeowner association or owner(s) may petition the City to take over the road. The City may improve and pave the road to an asphalt standard approved by the City Engineer.

(1) Property owners of a private road that fall into this category will follow steps Section B (1)-(5) with appropriate documentation identifying the exigencies and how said exigencies should be addressed.

(2) Cost sharing requirements and financing options identified in Section B(7)-B(9) will be followed unless agreed to otherwise by City Council due to the circumstances presented.

(3) A condition of exigency exists when any one or more of the following documented events have occurred within a year prior to a petition to the City Secretary:

- a) The condition of the road(s) has prevented or significantly degraded the ability of emergency services to respond to property owners on the road(s).
- b) The condition of the road(s) has prevented or significantly degraded the ability of school buses to utilize the road(s).
- c) The condition of the road(s) has prevented or significantly degraded the ability of utility, trash and delivery service vehicles from being able to use the road(s) on a regular basis.
- d) The condition of the road(s) and drainage has degraded to where it has negatively impacted culverts or bridges and potentially affecting the safety and welfare of the residents in the subdivision and/or other neighborhoods during heavy rains.
- e) Prior attempts and outcomes by the owners or homeowner association have failed to address the road conditions.
- f) Any other event(s) identified by the petitioner that the City deems relevant to the determination of an exigency.

(4) After acceptance of the petition by the City Council, the completion of the road should be completed within **six (6) months** unless budgetary constraints require waiting until the beginning of the next fiscal year. Upon completion, any future improvements will be a City responsibility.

(D) Upon certification of the requisite number of signatures on the petition by the City Secretary, if such is presented in accordance with division (A)(1), (B) (1) or (C)(1) above, the

City Council shall consider the petition at its first available meeting upon due notice being given to the H.O.A. or owners, if applicable.

...”

The remaining sections and subsections of Article 10.3 are not amended hereby and remain in full force and effect.

SECTION 2. All provisions of the ordinances of the City of McLendon-Chisholm in conflict with the provisions of this ordinance be, and the same are hereby, repealed, and all other provisions of the ordinances of the City of McLendon-Chisholm not in conflict with the provisions of this ordinance shall remain in full force and effect.

SECTION 3. Should any sentence, paragraph, subdivision, clause, phrase or section of this ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Code of Ordinances of the City of McLendon-Chisholm, Texas.

SECTION 4. That this ordinance shall take effect immediately from and after its passage and publication, as the law in such cases provides.
